Position Description

As a officer in the Medical Specialist corps, you will play an essential role in improving the overall quality of life for Soldiers and their families. Within the physician - PA relationship. Army Physician Assistants exercise significant professional autonomy in medical decision making and provide a broad range of diagnostic and therapeutic services.

Those who serve in Active Duty (full-time) will practice at one of the 8 Army medical centers, 18 community hospitals, and 65 medical clinics across the country.

Those who serve in the Army Reserve (part-time) practice; ~48 days per year with a reserve unit in their area of choice while maintaining their civilian careers.

PROGRAM HIGHLIGHT (Army Reserve) Health Profession Loan Repayment Program

The U.S. Army's Health Professions Loan Repayment Program (HPLRP) is designed for to provide \$20k per year in loan repayment directly to the principle of federal loans for up to \$60,000.
